

Tim Luscombe

Chairman

chairman@thepsa.co.uk

My role in the PSA

My role is to chair the quarterly board meetings, creating an agenda to include suggestions from PSA members, fellow directors and the support team.

I am, as chairman, responsible for the management of the support team and for reviewing the director's performance against agreed job descriptions and objectives. I, in conjunction with the directors, allocate resources to support agreed objectives.

The chair is also responsible for obtaining and negotiating sponsorship for the PSA.
